How the **EcoVadis** Rating System Works

GET CLARITY ON WHAT'S ASSESSED, HOW IT'S SCORED,
AND WHAT IT MEANS FOR YOUR BUSINESS.

The 4 Assessment Themes

EcoVadis evaluates your sustainability performance across 4 key areas:

1. Environment
2. Labour & Human Rights
3. Ethics
4. Sustainable Procurement

Each theme includes criteria based on your company's size, industry, and location.

What's the Methodology?

EcoVadis uses globally recognized standards like:

 GRI |  UNGC |  ISO 26000

You submit supporting documents, and analysts assess:

- ✓ Policies
- ✓ Actions
- ✓ Reporting Practices

Scoring System

Your final score is out of 100, divided as:

- 85–100: Platinum
- 70–84: Gold
- 59–69: Silver
- 50–58: Bronze

Ratings are valid for 12 months.

What Affects Your Score?

Strong documentation = Stronger score

Missing policies or evidence = Lower rating

Regular updates & improvements = Better performance

Bonus: Scores can improve with each reassessment!

Why It Matters for You

 Get noticed by global procurement teams

 Mitigate ESG risks

 Drive continuous improvement

 Show transparency to stakeholders
